### The fourth Nordic Climate Change Forum for Fisheries & Aquaculture

—  
NCCF 26

January 29, 2026

9:30 – 18:00

Elite Hotel Marina Plaza, Helsingborg Sweden

The NCCF26 brings together researchers, policy makers, and professionals from across the fishery and aquaculture industries to discuss key themes shaping the future of our oceans and communities:

- The Future of the European Fisheries Market
- The State of the Sea and Nordic Fisheries
- The Social Acceptability of Aquaculture

**More details and registration information will follow soon**, but for now, please **save the date** and make plans to join us in Helsingborg for the NCCF 26! Feel free to share this event with your colleagues.
